

**MAY 28 - 29
MEMORIAL DAY WEEKEND**

Shake Down Cruise to South Shore Yacht Club in Milwaukee. We all bring a dish for the party! Driving is an option if your boat is not ready - or sail with a friend.

**JULY 25 - AUG 12
EXTENDED SUMMER CRUISE**

Plans are in the works for a great cruise this summer. It is going to be a three week trip, leaving on July 25th. We will visit ports mostly on the eastern shore of Lake Michigan, going as far north as Harbor Springs. We will leave on Monday, July 25 for Port Washington, the following day we will cross the Lake to Pentwater. Plan for two nights in Pentwater, then on up the coast to Frankfort. From Frankfort to So. Manitowish or Leland, Suttons Bay, Traverse City, Charlevoix, Beaver Island and Harbor Springs. Then we will start working our way back home. The cruise will give you the opportunity to either anchor out or be in a slip, whichever you prefer.

**SEPTEMBER 3 - 4
LABOR DAY WEEKEND**

Final cruise & party of the year to Winthrop Harbor. This has been our biggest cruise of the season and the music and food is always great for this fun filled weekend. We also have many who join us by land as well.

Dates and / or Details could change, so be sure to check the Reef Point or the Cruzin' 2011 bulletin board.

CRUZIN' 2011

Sail & Power Boats

Sans Souci Hook Cruise 2010

Pairaloafers Saugatuck Cruise 2010

This year the Racine Yacht Club is proud to offer all Club members the opportunity to participate in sail and power boat cruising. Each year our cruising fleet gets bigger and bigger. With your help we will make this the biggest and best year yet for cruising. We are working to have more power boaters join our group in 2011. The cruising fleet provides members a chance to explore the waters of the Great Lakes in the company of boaters with a broad spectrum of experience. For the veteran cruiser, there is the opportunity to hook up with others who are looking to expand horizons to any port on the Great Lakes. For those new to cruising, we plan shorter trips during the season that many veterans sign on for as well. This is an excellent opportunity to do some cruising in the company of others. This year we plan to cross the lake for an extended cruise. We stay in radio contact during the trip, so a close watch can be kept on all vessels. After making port, a group party and dinner is the order of the evening. It is a great way to get to know people around the club and help those new to cruising get started. For those who can't make the cruise by water all parties are open to those who decide to cruise by car or cruise with a friend.
